## Who's Number One?

Pennsylvania is #1 and these are the State's #1 wrestlers. The 2013-2014 Season will feature 14 wrestlers who have at least one career PIAA State Championship between Class AA and AAA. Historically the 2014 Season may go down in the record books as one of the greatest with two wrestlers, Chance Marsteller and Thomas Haines both seeking their fourth career State Championship. Marsteller is (125-0) and will be on the hunt to end his career with no defeats. Overall, the depth of Pennsylvania Wrestling is strikingly clear. A multitude of Keystone State wrestlers, in both Class AA and AAA, are considered some of the top wrestlers in the Nation according to multiple Rankings Services. Take a look at the #1 Ranked wrestlers and keep in mind these are bound to change as weights are determined.
